

# Sketch option 1

1. Searching through different queries. We will have a dropdown menu with the different queries that Sarah can search through

2. A visual representation of the search results. Shown on a pie chart

3. A detailed summary of the results shown in the pie chart

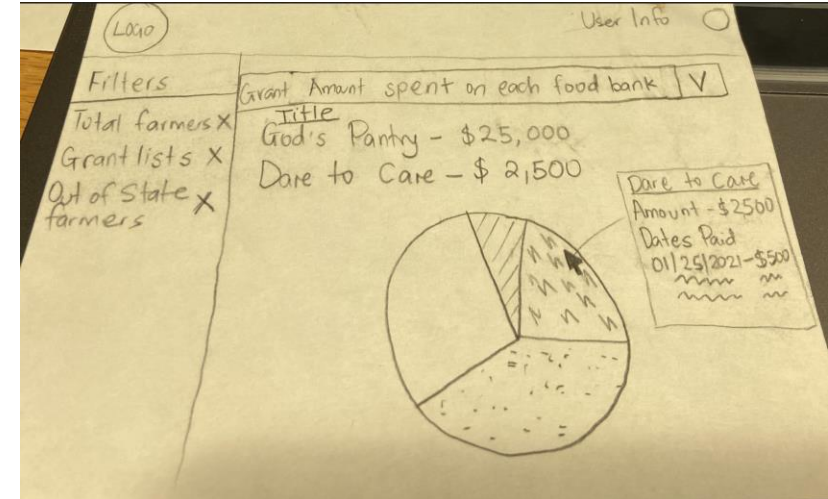

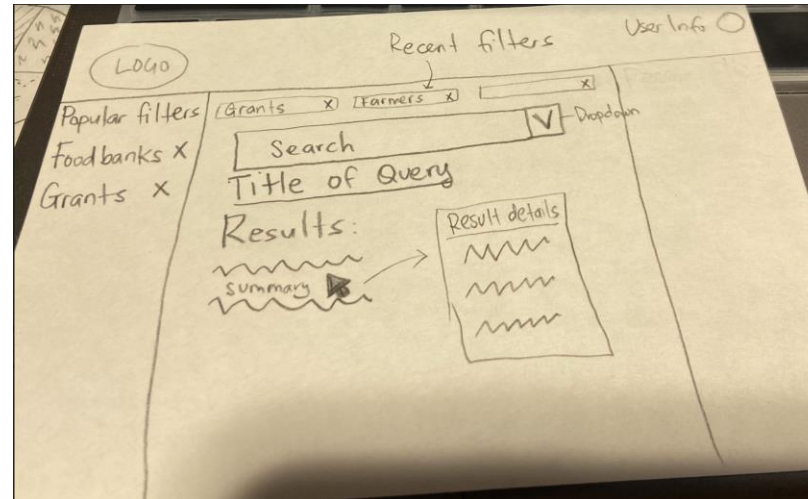

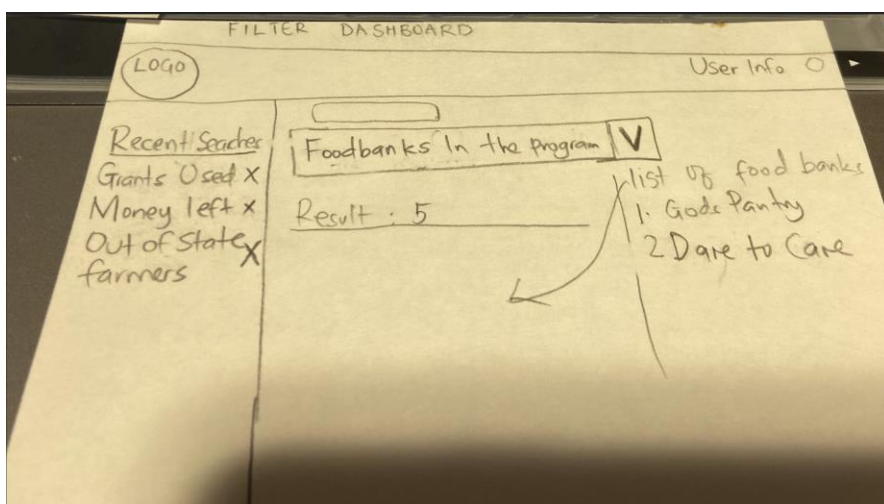

A hand-drawn sketch of a table with the following data:

Invoice ID	Farmer ID	Crop ID	Cost
1	101	1	\$100
2	102	2	\$200
3	103	3	\$300
4	104	4	\$400
5	105	5	\$500

# Sketch option 2

1. The first screen of the dashboard will have a search bar with a dropdown menu of the different queries and recent searches area showing the most recently used queries for easy access

2. The second screen shows the details of the search query that could be a table or pie chart representation
